Experienced Full Stack Web Developer with a strong track record in designing and managing complex web applications. Skilled in both front-end and back-end development, I deliver responsive and scalable solutions. Committed to continuous learning and staying updated with industry trends to drive innovation in web development.

JavaScript ES6+, CSS3, HTML5, SQL, NoSQL, GitHub, MongoDB, MySQL, Express, React,Nextjs, Node, Handlebars, jQuery, Bootstrap, Tailwind CSS, GIT, MUI

Applications:

PROJECTS

Chat Application │ https://github.com/shawndreifuss/chat-app │
Link to Deployed Project *: https://sweet-souffle-90e0b9.netlify.app/login*
- Engineered a chat application for real-time communication. Integrated Firestore database for efficient message storage and retrieval. Executed comprehensive testing and debugging for optimal app performance. Collaborated with developers to add features and deployed the app for user access.
- *Tools / languages used: Javascript, React , HTML, Tailwind CSS Firebase, Firestore*

Chat GPT Clone│ https://github.com/shawndreifuss/ai-project│
Link to Deployed Project *: https://musical-valkyrie-913a7e.netlify.app/*
- Developed a lightweight ChatGPT clone to simulate AI conversations, focusing on responsive design and intuitive user interactions. Leveraged HTML and CSS for UI development and JavaScript for dynamic content handling, including real-time user input processing and AI response generation. Conducted cross-browser testing to ensure optimal performance
- *Tools / languages used: JavaScript, HTML, CSS, Node, Express*

E-commerce Store TinyWear │ https://github.com/shawndreifuss/chat-app │
Link to Deployed Project *: https://sweet-souffle-90e0b9.netlify.app/login*
- Led a team of developers in creating scalable database applications, refining code in HTML, CSS, and JavaScript. Implemented customer-centric features like shopping carts and payment processing. Utilized MongoDB, React.js, and Node.js for developing tailored E-Commerce solutions.
- *Tools / languages used: JavaScript, HTML, CSS, Node, Express, Tailwind, React MongoDB, NoSQL*

Store Manager   2016-2022
T-Mobile

- Successfully managed a high-performing team of sales associates, consistently exceeding sales targets and driving revenue growth.
- • Developed and implemented effective sales strategies, resulting in increased customer acquisition and retention rates.
- • Provided exceptional customer service, resolving complex issues and ensuring customer satisfaction.
- • Collaborated with regional managers to implement corporate initiatives and achieve business objectives.

Business Accountant Manager   2022-2023
AT&T

- Conduct regular training sessions for the sales team to enhance their knowledge of AT&T's products and services, and provide them with the necessary tools to effectively communicate the value proposition to potential corporate clients.
- Identify and develop new strategic partnerships with key industry players to expand client base and revenue opportunities.
- Develop and implement a customer retention strategy to minimize churn rate and maximize revenue from existing corporate accounts.
